Joint London Area Meeting and Families Together Day in October

The next JLAM is on Sunday **October 11th** at **Friends House**, NW1 2AE, from 10.30 to 4.30. It will be combined with a Quaker Families Together Day. From 11.00 to 12.00 there will be an **all-age meeting for worship** in the Large Meeting Room. After a bring and share lunch, there will be parallel activities for children and young people alongside the meeting for business.

QFTDs are organised by our London Children and Youth Development Worker, Julia Stacey. They are opportunities for families from across London to come together and share their experiences, gifts, needs and ideas. Through a day filled with fun activities and conversation, we get to know each other better and explore how families engage with Quaker faith and practice.

Monthly London-wide Meetings for Worship

The next monthly London-wide meeting for worship is on **October 18th** at **Epping Meeting House**, Hemnall Street, CM16 4LL (what3words: *beard.misty.snail*). The meeting house is a half a mile uphill from Epping station (last stop on the Central line). Buses (not part of the TfL network) run fairly frequently. Alight at the second stop in the High Street. There is space for up to seven cars on the forecourt, which slopes uphill. (Please park at an angle like the feathers on an arrow. Parking is also available in nearby streets.)

Meeting starts at 10.30, followed by refreshments and conversation at 11.30. You are welcome to bring your own lunch and stay until 1.30, when several friends are attending an area committee at the meeting house!

(Next venues: **Epsom** 15th November; **Esher** 20th December)

Joint London Area Meeting at Wanstead

Friends at the Joint London Area Meeting on September 12th enjoyed a variety of activities in the morning organised by Wanstead Meeting. They encouraged us to maintain the beauty and variety of the natural world and explore their extensive burial ground. In the afternoon we heard about progress towards the merger of the seven London area meetings and London Quakers Property Trust into one body, Quakers in London area meeting. Friends will be in touch about the formal process of transferring membership.

Meetings for Worship at new times and in new places

Bethnal Green Quakers met nine times in Victoria Park on alternate Tuesday evenings from May to August. They held a 45-minute outdoor meeting for worship, including afterword, followed by tea and chat and/or discussion. They found that worship outside felt part of the wider world in new ways. They may repeat this next summer.

Online worship is now part of Quaker life across the world. Friends in London are offering a **weekly online meeting for worship**, which takes place from **7.30 to 8.30 pm on Fridays** for the remainder of 2026, with up to an hour of worship followed by conversation and friendship.
